

Event Program

MORNING SESSION

09:00 | Welcome – Richard Mills

09:15 | **Ratan Datta**

*President and Chief Executive Officer
SPi Global*

PRESENTER: Ratan runs the world leader in technology-driven solutions for the extraction, enrichment and transformation of content and one of the nation's most storied companies. Dramatic changes has dictated that Ratan must completely re-invent SPi as a technology company in order to remain the industry leader.

09:45 | **Magellan Fetalino**

*Founder and Chief Executive Officer
Acudeen Technologies*

PRESENTER: Magellan runs the first online technology marketplace in Philippines to help SME companies get access to operating capital by getting paid early for their receivables. Acudeen was a big recent winner of US\$500,000 grand prize from Seedstars competition. He is also a partner of Original Pitch Venture Capital firm.

10:15 | Break

10:30 | **Dan Ternes**

Chief Technology Officer, Asia
Delta Capital

PRESENTER: Dan works with many of the world's largest banking organizations to implement fintech solutions that are re-inventing the global industry (and saving it from being disruptive to extinction).

11:00 | **Rey Chumacera**

Chief Executive Officer
GHL Systems Philippines

PRESENTER: GHL Systems is one of the region's largest payment providers with operations across most of Asia as well as Australia, Romania and the Middle East. Rey is one of the industry's most experienced leaders of designing debit, credit card payments and loyalty applications.

11:30 | Panel Question Period

12:00 | Lunch

AFTERNOON SESSION

01:30 | **Dustin Andaya**

Chief Executive Officer
Island Rose

PRESENTER: Called the “King of Roses,” Dustin was a revolutionary when he began in 2000 by introducing the Philippine’s first nationwide flower delivery service on the internet. Today his company remains the nation’s largest supplier of flowers.

02:00 | **Pradeep Bhanatha**

Chief Executive Officer
AIG Shared Services

PRESENTER: Pradeep oversees a large IT organization across Philippines, India and other countries providing global systems development and support for AIG.

02:30 | **Gian Javelona**

Chief Executive Officer
OrangeApps

PRESENTER: At age 19, Gian became a national celebrity by creating the first mobile app to manage school records and enrolment. His systems are now used by schools and universities across the country for grades, HR, payroll and enrolment. He is the most recent winner of the Forbes 30 under 30 for enterprise technology 2017.

03:00 | Break

03:15 | **Miguel Cuneta**

*Co-Founder and Chief Community Officer
Satoshi Citadel Industries*

PRESENTER: Miguel's company is considered the nation's premier proponent of Bitcoin cyber currency as the future for payment technology. Bitcoin has a particularly strong opportunity in Philippines because of its huge remittance sector and perceived high transaction costs.

03:45 | **Lars Jeppesen**

*Chief Executive Officer
TechOne Global*

PRESENTER: Lars is considered one of the region's most innovative tech entrepreneurs. His company has operations in locations as diverse as Sri Lanka, Brunei, Singapore, Nepal, Bangladesh and Philippines (where Lars is based).

04:15 | Panel Question Period

04:45 | Networking & Closing - Rebecca Bustamante

TITLE SPONSOR

SPi Global is a global market leader in technology-driven solutions for the extraction, enrichment and transformation of content assets. Our suite of proprietary technology platforms combined with our deep understanding of content workflows and data structures is the reason we are the partner of choice of leading information companies.

While content is the key product of information companies, it is fast becoming a key differentiator across each industry. Our vision is to deploy technology solutions that will make content accessible, adaptable and actionable. This means enabling content to be found easily when you need it, adapted to the device that you are currently using and delivering the insight that you need to make a decision.

There are many ways SPi Global touches lives today and makes a difference. We can make the same difference for you.
